Mr. Charlie Bell, Director of Operations

Dear Mr. Bell:

The Posey County Commissioners have a letter of agreement with Charles Chambliss, owner of Integrity Computing Solutions. Mr. Chambliss installs all computers and updates for our county government.

In addition, if any of our software vendors need something locally done to our servers, Mr. Chambliss works with the vendors and provides that support. He also obtains quotes for new hardware and is of great assistance to me when I am making new purchases.

The letter of agreement states that Mr. Chambliss is to be paid \$60.00 per hour for labor and \$30.00 per trip from his home to the county. We have been very happy with this process.

Sincerely,

Joleen R. Elpers
Posey County Auditor
